DEWALT® Introduces Large Diameter Saw Blades With Up To 3X Life*

DOWNLOAD THE PRODUCT GUIDE BELOW

Make exceptional cuts with new DEWALT Large Diameter Circular Saw Blades that deliver up to 3X life*. Designed for improved finish quality**, the blades feature optimized tooth geometry for increased accuracy, patented body slots for low vibration, and ultra-sharp carbide tipped teeth for crisp, clean cutting. Built to exceed expectations during cutting applications, each blade is specifically designed by tooth count to increase performance and life.

All blades are available now with the exception of DWA11024, available April 2022. More information on SKUs follows below.
