DEWALT® Wins 26 2021 Pro Tool Innovation Awards

DEWALT Power Tools, Hand Tools, Outdoor Equipment, Accessories and Technology Solutions Recognized as Year's Most Innovative Products

TOWSON, Md. September 23, 2021 – DEWALT announced today that it has been awarded 26 Pro Tool Innovation Awards, representing best-in-class products in the construction industry. Winning products were selected based on innovative features, advanced power delivery, improved ergonomics, technological advancements, developments in jobsite safety, and overall user value. As a highly respected source in the trade space, Pro Tool Reviews tested nearly 500 tools from 89 manufacturers to determine this year's winners.

DEWALT Product Award Highlights

- Best Power Tools, Tile Saws: DEWALT 10-In. High Capacity Wet Tile Saw
- Best Hand Tools, Mechanics Sets: DEWALT ToughSystem® 2.0 Tray Mechanics Tool Sets
- Best Hand Tools, Tape Measure: DEWALT 25-Ft. TOUGHSERIES™ Tape Measure
- Best Accessories, Circular Saw Blades: DEWALT ELITE SERIES™ Circular Saw Blades

"Innovation is the cornerstone of product development across all Stanley Black & Decker brands," said Jaime Ramirez, Executive Vice President & President of Global Tools & Storage for Stanley Black & Decker. "To deliver on our mission of empowering those who make the world, we are unwavering in our promise to provide the tools, technology, and resources professionals in the trades and construction industry need to get the job done."

One of the most notable wins is the DEWALT 25-Ft. TOUGHSERIES™ Tape Measure. In addition to an ultra-rugged housing that survives a 100 ft. drop**, the tape's new sustainable packaging is estimated to eliminate 10,000 lbs. of PVC per year, or the equivalent of more than 400,000 0.5L water bottles that will be diverted from landfills and oceans.

"Our brands are continuing to push the industry forward through groundbreaking new features that improve the user experience," said Tabata Gomez, Chief Marketing Officer of Global Tools & Storage for Stanley Black & Decker. "We are committed to providing products that directly contribute to our customers' productivity and overall performance."
