

DEWALT® Introduces Rechargeable Lighting and Mini Bluetooth® Wireless Speaker To Withstand Tough Jobsite Conditions

New worksite products developed with portable convenience and durable designs

TOWSON, MD April 18, 2023 – DEWALT, a Stanley Black & Decker (NYSE: SWK) brand and leader in total jobsite solutions, is introducing three new jobsite tough products all powered through USB charging. The newly released product lineup includes a DEWALT Rechargeable Mini Bluetooth® Speaker ([DCR008](#)) as well as a Rechargeable LED Task Light ([DCL182](#)) and Rechargeable LED Flashlight ([DCL183](#)).

With up to 14 hours of runtime,* the DEWALT Rechargeable Mini Bluetooth® Speaker is built for jobsite listening with rugged housing and an IP67 rating for dust and water protection. Using a 5V 1A power supply (not included), the speaker can be charged in as little as two hours, and users can link two speakers for stereo-style sound. The carry strap and buckle allow for convenient transportation and storage, and the speaker fits standard cup holders (>3-in. diameter).

The DEWALT Rechargeable LED Task Light and Rechargeable LED Flashlight help illuminate low light work areas. Each light features a powerful LED output of up to 1,000 lumens of brightness (for the DCL182 on high mode and for the DCL183 on spot high mode) and boasts durable housing with an IP54 rating for dust and water protection. The lights' magnetic base allows for mounting on metal jobsite surfaces for hands-free use. The DCL182 Task Light provides up to 12 hours of runtime** and can charge in as little as 85 minutes.*** The Task Light's pivoting light head rotates to adapt to location needs and a carabiner (sold separately) easily clips on tool belts or bags for easy storage and accessibility. The DCL183 Flashlight provides up to 6.5 hours of runtime**, charges in as little as 75 minutes***, and can be hung from hoses, pipes, tubes or cables using the hook for additional hands-free options.

The DEWALT Rechargeable Mini Bluetooth® Speaker will be available in June and Rechargeable LED Task Light and Rechargeable LED Flashlight are available now where DEWALT products are sold.

**At 2/3 volume; runtime may differ due to usage conditions*

***Per charge, using DCL182 in Low Mode setting; per charge, using DCL183 in Spot Low Mode setting.*

****On average, with charging cable (included) and 5VDC 3A power supply/brick (not included)*
