## DEWALT® Expands Its Lineup of Outdoor Power Equipment Solutions to Tackle the Most Demanding Landscaping Jobs

- Newly released products include gas and battery-powered walk-behind mowers andhandheld equipment
- Offering improved power and performance to enhance productivity

TOWSON, Md., March 25, 2025 /PRNewswire/ -- Eighty-one percent (81%) of Americans have a lawn to maintain, according to a survey from the National Association of Landscape Professionals (NALP), which they also cite as one of the most important features of their home. As the country gears up for the spring lawn care and maintenance season, DEWALT®, a Stanley Black & Decker (NYSE: SWK) brand and leader in total jobsite solutions, has released new products to its growing lineup of outdoor power equipment solutions. The latest additions to the lineup include both gas and battery options for a variety of outdoor tasks, including mowing, pruning, trimming and more.

"Our customers are seeking products that increase their productivity and efficiency. With a range of options in both gas and battery, we are innovating across DEWALT's outdoor power equipment solutions to help power through demanding landscaping jobs and yield pro-level results," said Guy Dekowski, Director, Product Management for DEWALT. "At DEWALT, we continuously incorporate feedback from customers to ensure our solutions meet their needs, and we are committed to developing solutions that deliver powerful and reliable performance on any terrain."
