

White Cap and DEWALT® Partner to Support St. Jude Children's Research Hospital for Fourth Year

ATLANTA – October 16, 2026 – White Cap, a leading distributor of specialty construction supplies and safety products for professional contractors, and DEWALT, a Stanley Black & Decker (NYSE: SWK) brand and leader in total jobsite solutions, announce a fourth annual partnership supporting the lifesaving mission of [St. Jude Children's Research Hospital®](#): *Finding cures. Saving children.®*

On Sunday, October 18, at Phoenix Raceway, DEWALT and White Cap will present a combined \$175,000 donation to St. Jude. Throughout October, DEWALT will contribute an additional \$25,000 through the purchase of select DEWALT products at participating White Cap branches.

In recognition of this ongoing partnership and with support from Joe Gibbs Racing, the No. 20 DEWALT Toyota driven by Christopher Bell will feature special St. Jude-themed co-branding with White Cap. The race car will also showcase artwork created by Reid, an 11-year-old St. Jude patient who loves sports and the Oklahoma Sooners. Reid worked closely with the Joe Gibbs Racing design team to bring his vision to life and, along with his parents and sisters, will be honored guests throughout race weekend.

"Supporting St. Jude Children's Research Hospital alongside DEWALT has become a meaningful tradition for White Cap, and we are proud to mark our fourth year of partnership," said Alan Sollenberger, CEO of White Cap. "This effort reflects the generosity of our associates, customers and partners, all coming together to help make a difference for children and families facing cancer and other life-threatening diseases. We are honored to contribute to the St. Jude mission and to celebrate inspiring patients like Reid through this one-of-a-kind experience."

"Supporting St. Jude through this program is a meaningful expression of what DEWALT values: showing up, giving back and using our platform to help others," said Maria Ford, President, U.S. Commercial & Industrial Sales, Stanley Black & Decker. "Our continued work with White Cap and Joe Gibbs Racing reflects a shared commitment to making a real difference. Reid's design on the No. 20 DEWALT car adds a powerful human element to this year's effort and is a visual representation of impact in action."

"We're grateful to White Cap, DEWALT and Joe Gibbs Racing for bringing this unique collaboration to life in support of St. Jude," said [Ike Anand](#), president and CEO of [ALSAC](#), the fundraising and awareness organization for St. Jude. "Seeing patient Reid's artwork featured so prominently in the world of racing is a powerful reminder that children facing cancer and other life-threatening diseases deserve the chance to live their best lives and enjoy every moment. Support from partners like these helps ensure families never receive a bill from St. Jude for treatment, travel, housing or food, allowing them to focus on helping their child live."

About St. Jude Children's Research Hospital

St. Jude Children's Research Hospital is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. Its purpose is clear: Finding cures. Saving children.® It is the only [National Cancer Institute-designated Comprehensive Cancer Center](#) devoted solely to children. When St. Jude opened in 1962, childhood cancer was considered largely incurable. Since then, St. Jude has helped push the overall survival rate in the U.S. from 20% to more than 80%, and it won't stop until no child dies from cancer. St. Jude shares the breakthroughs it makes to help doctors and researchers at local hospitals and cancer centers around the world improve the quality of treatment and care for even more children. Because of generous donors, families never receive a bill from St. Jude for treatment, travel, housing or food, so they can focus on helping their child live.
